

Directions – Win Green Walk

Approximate Distance 8.8km / 5.5 miles

Approximate Time 2hrs– 2hrs 30 mins

Starting at the pond. Walk along the track with the pond on your right pass the immediate right hand footpath and take the right hand path where the track forks.

Continue on this pathway up a relatively steep incline – this will eventually lead you to Win Green – the highest point in Dorset.

Follow the path back down through the valley along Ashcombe Bottom and you should recognise this as where you started the loop back by the pond.

For well-deserved refreshment proceed right up the road to the King John Inn, where the staff will be most happy to see you.

Please keep your dogs on leads at all times
